

**LIZZIE  
DAVIES, RN, ABAHP**  
BOARD-CERTIFIED  
CLINICAL NURSE COORDINATOR

National Institute of Integrative Medicine  
21 Burwood Rd, Hawthorn VIC 3122, Australia | (928) 208-5766

A seasoned registered nurse, Lizzie Davies, RN, ABAHP, currently works as Clinical Nurse Coordinator for the National Institute of Integrative Medicine in Hawthorn, Australia, which she joined in 2002. She also serves as Cosmetic Injector at the Victorian Cosmetic Institute. Lizzie has extensive expertise in diagnostic testing, such as adrenal fatigue testing and GH provocation testing, and provides assessment, planning, and treatment, as well as advice for facial rejuvenation with regard to Botox, dermal fillers, skin care, and lasers.

Lizzie is board-certified by the American Board of Anti-Aging Health Practitioners and is a professional member of the Australasian College of Nutritional Medicine and the Infusion Nurses Association. She is certified in injectable nutrients by the Australian College of Nutritional and Environmental Medicine and obtained a Diploma in Cosmetic Medicine from the Academy of Cosmetic Medicine and Science (ACMAS).
