

EVELYN THOMPSON, RN, BSN
 CERTIFIED REGISTERED NURSE

Evelyn Thompson, RN, BSN is an established Registered Nurse and Diabetes Educator, who features over three decades of experience in her field. Evelyn's career in nursing began when she graduated with her Bachelor of Science Degree in Nursing from LIU Brooklyn. Since graduating Evelyn has undertaken many advanced training courses, and has become a renowned expert in the management of and treatment of diabetes.

Evelyn has dedicated her life to delivering the highest standard of quality and compassionate care to her patients. Although recently retired from New York-Presbyterian Hospital, she still takes a keen interest in diabetes education and is always willing to help and advise people on this subject.
