

## LINDSAY M. KREPS, RN, BSN

CERTIFIED REGISTERED NURSE

Lindsay M. Kreps is an established Registered Nurse, who has dedicated her life providing care for those in need in Northern Indiana. Lindsay's career in nursing began in 2012 when she graduated with her Nursing Degree from Bethel College. An advocate for continuing education, she earned her Bachelor of Science Degree in Nursing from Chamberlain College of Nursing, and is currently enrolled in their MSN-FNP program. Lindsay specializes in oncology, spiritual care, palliative care, alternative pain, symptom management and diabetic advancements due to caring for her mother whom had DM Type 1 for 36 years and passed in August of 2013 from hypoglycemic complications.

The Hospice House, Legacy Hospice and Palliative Care, will be a non-profit charitable organization. Lindsay's vision includes a building with a home like atmosphere that will offer 20 hospice beds and 5 beds for respite care. This will be a full functioning medical facility with a home atmosphere where clients and their families can spend their final days together in safety, comfort and peace knowing they will not die alone. The respite care will be offered for any special needs client whose family needs temporary care for the individual. She will also have a specialty practice with geriatrics and special needs adults, in addition to running the hospice, by opening a Nurse led clinic to reach this growing population. Lindsay's heart is truly in serving those whom society has forgotten.
