

DUTCHESS SABOVITCH, RN, COHN(C)
 CERTIFIED IN NURSING

dutchess Sabovitch, RN, COHN(C) is an established Occupational Health Nurse and Foot Care Nurse in Fort McMurray, Alberta, Canada, who features over three decades of experience in her field. dutchess completed her initial nursing training in 1980. In 2003, she secured her Foot Care Certificate attaining top marks in her class and in 2005, she obtained her Registered Nurse Diploma from Red River College in Winnipeg, Manitoba. An advocate for continuing education, dutchess completed her occupational health training in 2008 at St. Lawrence College in Kingston, Ontario, and became a Certified Occupational Health Nurse. She is the recipient of several honors, including awards for Excellence in Practice in 1998 when she was an LPN, and the Yellow Ribbon Award, also in 1998 from the Manitoba Nurses for advocating patient rights.

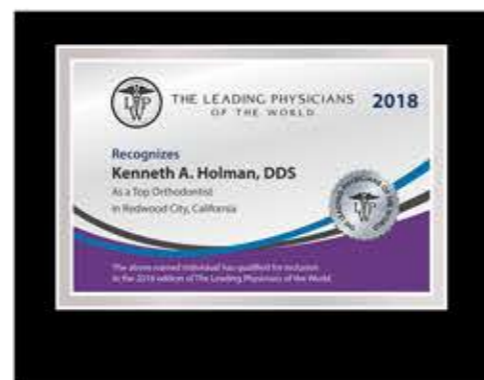

dutchess has worked in many areas of nursing throughout her career, including multiple areas in hospitals, as a unit nurse in a care home and spending more than 8 years as an occupational health nurse at Syncrude Canada Ltd. and a year for the City of Winnipeg. With a passion for enhancing her patients' quality of life, she is recognized for her expertise in occupational health nursing and foot care. Presently, dutchess continues to provide exceptional care and support to her patients within her own business, Foot McMurray in Fort McMurray, Alberta, Canada. Moreover, dutchess volunteers one day per month doing foot care for the homeless.
