

SHEILA E. EL-AMIN, CRNA

BOARD-CERTIFIED IN
NURSING ANESTHESIA

Sheila E. El-Amin, CRNA is an established Certified Registered Nurse Anesthetist in Washington, D.C. who features over four decades of experience in her field. Her career in nursing began in 1966, after attending nursing school and completing her midwifery training in London, England. Thereafter, Sheila graduated with her degree in nursing anesthesia in 1976 from Virginia Commonwealth University School of Medicine. Since graduating, she has completed a number of advanced training courses and remains committed to staying current with the latest advances in nursing.

Sheila has dedicated her life to providing the highest standard of quality and compassionate care to her patients. She engages in local public speaking at schools and churches about her work in anesthesiology, and is recognized for her expertise in midwifery, maternity, and anesthesia. She has gained several opportunities throughout the duration of her nursing career, which consisted of meeting wonderful people and providing helpful service. Presently, Sheila continues to provide exceptional care and support to her patients within MedStar Washington Hospital Center in Washington, D.C.
