

CHRISTINA ANNA LYON, RN, BSN, EMT

CERTIFIED NURSE & EMT

Christina Anna Lyon is an established Registered Nurse and Certified EMT who volunteers in her community, helping people navigate the healthcare system and explaining things in terms they can understand. Featuring over three decades of experience in her field, she has a special expertise in critical care and emergency room nursing.

Christina's career in nursing began in 1988, when she graduated with her Nursing Degree from Mercy College of Detroit. An advocate for pursuing further education, she remained within the same educational venue earning her Bachelor of Science Degree in Nursing in 1990. Since graduating, Christina has completed a number of advanced training courses, and holds additional certifications in Advanced Cardiac Life Support and Critical Care Nursing.

To keep current with the new nursing developments, guidelines, and procedures, Christina maintains a professional member of the American Association of Critical-Care Nurses. She has dedicated her life to providing quality and compassionate care to her patients, striving to provide the best outcomes possible. Christina attributes her success having been a patient herself, taking care of her mother and disabled daughter, and being understanding. She dedicates her free time to swimming, boating, biking, and gardening, as well as mentoring children.
