

MARY A. NAGY, MSN, BSN

CERTIFIED IN NURSING

Mary A. Nagy is an established Nurse who continues to provide exceptional care and support to her patients in Illinois. She is also affiliated with the Mayo Clinic. Featuring over five decades of experience in her field, she has a special expertise in gerontology and acute care.

Mary attended Northern Illinois University, graduated with her Bachelor of Science Degree in Nursing followed by her Master of Science Degree in Nursing. Since graduating, she has completed a number of advanced training courses, and holds additional certification in Gerontology. Mary presented on Gerontology in Germany, spoke on staffing and long term care, gave presentations with the aging committee, and taught for 14 Years at the Community College and Diploma School.

To stay current in her field, Mary remains a distinguished member of the National Gerontological Nursing Association, the United States Senate Special Committee on Aging, Sister Cities International, and the Alzheimer's Association. She has dedicated her life to providing high quality care to her patients, and attributes her success to having always wanted to be a nurse, her love for helping others, and giving back to her community. In her free time, Mary enjoys gardening and spending time with her dog.
