

Cora Jacobs, LPN

CERTIFIED LICENSED
PRACTICAL NURSE

📍 14701 179th Ave. SE Monroe, WA 98272

Cora Jacobs, LPN, is a Licensed Practical Nurse currently serving patients within the Western Medical Center in Seattle, Washington. Holding over 25 years of experience, she is a specialist behavioral nurse and medical surgical nurse. Cora Jacobs earned her Associate's Degree in Nursing in 1991, and became a Licensed Practical Nurse. Since that time, she has completed a number of advanced and practical training courses while working as a nurse.

Alongside her work at the Western Medical Center, Cora is also affiliated with Fairfax Behavioral Health, and is renowned as a specialist in the care of patients who are developmentally disabled. She attributes her success to the great team that she works with and when not working, Cora enjoys sewing, biking, hiking, and spending quality time with her family.

Fairfax Hospital is a private, free-standing behavioral hospital that specializes in psychiatric and detox treatment. We strive to meet and respond to the needs of our community by offering a continuum of care and evidenced-based programs at multiple locations within our region. We have behavioral health facilities and services located in Kirkland, Everett and Monroe, Washington. Mental and behavioral health challenges are a growing concern within our communities. Whether it is ourselves or a loved one, we will all likely be affected by behavioral health and mental disorders or illness. This drives our passion for providing evidence-based outpatient and inpatient psychiatric treatment programs with successful outcomes.
