

**Darlene Kedzior, RN**

LICENSED PRACTICAL NURSE

 Retired

Now retired, Darlene Kedzior was an established Registered Nurse who provided exceptional care and support to her patients. Featuring over 50 years of experience in her field, she has a special expertise in Trauma.

Darlene's career in nursing began, when she graduated with her Nursing Degree from Columbus Hospice School of Nursing. A distinguished member of the American Association of Critical Care Nurses, Darlene was committed to keeping current with the newest developments and guidelines in nursing. She had dedicated her life to delivering the highest standard of quality and compassionate care to her patients, and strives to provide the best outcomes possible.

With a passion for her work, Darlene attributes her success to her patients and her love for nursing, and when she is not working she enjoys singing, crocheting, and selling Avon.

Registered nurses often work in hospitals or outpatient facilities, where they provide hands-on care to patients by administering medications, managing intravenous lines, observing and monitoring patients' conditions, maintaining medical records, as well as communicating with doctors.
