

Glynda Dallas, WHNP

LICENSED NURSE
PRACTITIONER

📍 2000 W 21st St # A1, Clovis, NM 88101

Glynda Dallas is an established Women’s Health Nurse Practitioner who continues to provide exceptional care and support to her patients within Women’s Medical Center. Featuring over 40 years of experience in her field, she has a special expertise in ER, battlefield medicine, medical surgical, labor and delivery, newborn, and OB/GYN. She strives to share her knowledge by precepting nursing and nurse practitioner students.

Glynda’s career in nursing began in 1972 while in high school where she completed her nurses aide course. Then in 1989, she graduated with her Bachelors in Science Degree in Nursing from West Texas State University. She joined the Air Force and as an advocate for pursuing further education, she went on to earn her Master of Science Degree in Nursing from the University of Texas Medical Branch which also gave her her Womens Health Nurse Practitioner. She retired from the Air Force and presently works in a large womens health practice

A member of the American Academy of Nurse Practitioners, New Mexico Nurse Practitioner Council, Texas Nurses Association, ACOG, ASCCP, and Sigma Theta Tau, Glynda is committed to keeping current with the newest developments and guidelines in nursing/nurse practitioner.

She has dedicated her life to delivering the highest standard of quality and compassionate care to her patients, and strives to provide the best outcomes possible.

With a passion for her work, Glynda attributes her success to faith, calling and ministry, and when she is not working she enjoys spending time with her 8 grandchildren, medical missions and as a disaster relief volunteer.
