

## Brenda Smith Jaye, RN

REGISTERED NURSE

 3610 Avenue B, San Antonio, TX 78209

Registered Nurse, Brenda Smith Jaye is currently serving patients with Personal Care Management in San Antonio, Texas. Brenda holds expertise in Private Duty Home Health Care, Skilled and Unskilled Nursing, Emergency Room Care, and Pulmonary Care. She is a former Emergency Room Tech and Head Emergency Room Nurse.

At Personal Care Management, their goal is to provide the best professional and ancillary health services to individuals in their place or residence. They respect client/patient rights and provide services with respect for human dignity, individual uniqueness and the client/patients right to self-determination. Their goal is to have relationships with clients/patients that are based on honesty and ethical standards of conduct.

In 1971, Brenda attended the Hillcrest Medical Center School of Nursing where she earned her nursing degree, giving her over four decades of experience in her field. To stay up to date in her field she remains a professional member of the Private Duty Home Care Association and the National Association for Home Care & Hospice.

When not working, she is a American Lung Association Volunteer, and is a Former Walk for Life Aids Foundation Volunteer. Brenda attributes her professional success due to her experience early in her career when there were medical professionals who saw in her things she did not see in her self. They strongly encouraged her to move forward and keep learning.
