JoAnn Marsh Clark, RN, MS

CERTIFIED REGISTERED NURSE

914 N. Greenwood Avenue, Tulsa, OK 74106

JoAnn Marsh Clark, RN, MS is an established Registered Nurse currently teaching at Langston University, Tulsa Campus in Oklahoma, and features over three decades of experience in her field. JoAnn's acclaimed career in nursing began in 1984, when she graduated with her Associate's Degree in Nursing from Redlands Community College in El Reno, Oklahoma. An advocate for continuing education, she earned her Bachelor of Science Degree in Nursing in 1988 from Oklahoma City University in Oklahoma City, and her Master of Science Degree from the University of Oklahoma Health Sciences College of Nursing.

JoAnn currently specializes in assessments and physical exams and has dedicated her life to providing the highest standard of quality and compassionate care to her patients. She is an inductee of the Sigma Theta Tau International Honor Society of Nursing, and a distinguished member of the American Nurses Association and the Oklahoma Nurses Association, allowing her to stay current with the latest advances in her field. Presently, JoAnn maintains a position within St. Francis Hospital in Tulsa, Oklahoma, where she serves on a NICHE unit providing care for patients over 65 in need of acute care.

The main role of a registered nurse is to assist physicians in providing treatment to patients suffering from various medical conditions. While their primary responsibilities will involve caring for patients, their specific job duties will vary depending on your employer and specialization. While a majority of registered nurses work at hospitals they are not limited to that setting, they can also work in clinics, schools, assisted living facilities, homes, schools and more. They must also stay up-to-date with new tools and technology to help provide the best care to patients and families, and the best support to doctors and other healthcare professionals. Registered nurses must possess excellent communication, emotional intelligence, teamwork, problem-solving and critical-thinking skills.
