REGISTERED NURSE

 44444 20th St. W., Lancaster, CA 93534

Victoria is a registered nurse who is affiliated with Kaiser Permanente in the State of California. Founded in 1945, Kaiser Permanente is recognized as one of America's leading health care providers and not-for-profit health plans. The expert and caring medical teams are empowered and supported by industry-leading technology advances and tools for health promotion, disease prevention, state-of-the-art care delivery, and world-class chronic disease management. They are dedicated to care, innovations, clinical research, health education, and improving community health.

Specializing in pediatric endocrinology, maternity care, and hospice care, Victoria attributes her success to having always wanted to help people and having great patients as well. Working under the brilliant Dr. Danielle Borut in pediatric endocrinology, she learned so much that has added to her success as a nurse. Now, she is a member of the Pediatric Endocrinology Nursing Society, which is committed to the development and advancement of nurses in the art and science of pediatric endocrinology nursing.

After earning her nursing degree from East Los Angeles College in Monterey Park, California in 2012, Victoria earned her Bachelor of Science in Nursing degree from Grand Canyon University in Phoenix, Arizona.
